

SLE 2020 Final circular

The 53rd Annual Meeting of the Societas Linguistica Europaea (SLE 2020) will be held as a digital conference.

SCIENTIFIC PROGRAMME. All information concerning the scientific programme (schedules, book of abstracts) can be found at <http://sle2020.eu/programme>. Please use the updated schedules with “final” in the title. They will show 1 or 2 days before the conference starts.

For more details about the organization of general and poster sessions (asynchronous), and workshops (synchronous or asynchronous), see SLE 2020 FAQ at <http://www.sle2020.eu/programme>.

TOOLS. We will be using three tools: **Zoom** for videoconferencing, the **OSF platform** <https://osf.io/meetings/SLE2020/> for storing asynchronous presentations, and **Slack**, a shared social space, for communication among participants. See SLE 2020 FAQ at <http://www.sle2020.eu/programme>.

DISCUSSION TIME IN GENERAL AND POSTER SESSIONS. Participants (speakers and attendees) are invited to attend the whole 30-minutes slots (not the individual 10-minutes slots indicated in the schedule)—or the whole 60-minutes meetings. Please log in to Zoom in advance and to go to the “waiting room” first; this is the extra period of 25-30 minutes before each 60-minutes meeting. For the organization of general and poster sessions, please see SLE 2020 FAQ at <http://www.sle2020.eu/programme>.

LINKS FOR VIDEOCONFERENCES. Links for videoconferences, URLs and IDs, to access the digital sessions (both the general and workshop sessions) will be available on <https://societaslinguistica.eu/interaction>, which you can enter with your login and password.
